Progress for Rotary's Challenge for polio eradication

Rotary International News -- 17 January 2012

Rotarians have raised about US\$202.6 million for Rotary's Challenge.

By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed \$1.2 billion. This constitutes nearly 14 percent of all contributions to the global budget through 2010 and represents approximately 66 percent of private sector contributions to the initiative. More recently, Rotary is working with the Bill & Melinda Gates Foundation to help raise much needed funds to eradicate polio.

An Illinois man left the snow-filled streets of Chicago for a vacation in Florida. His wife was on a business trip and was planning to meet him there the next day. When he reached his hotel he decided to send his wife a quick email. Unfortunately, when typing her address, he missed one letter, and his note was directed instead to an elderly preacher's wife whose husband had passed away only the day before. When the grieving widow checked her email, she took one look at the monitor, let out a piercing scream, and fell to the floor in a dead faint. At the sound, her family rushed into the room and saw this note on the screen:

Dearest Wife,

Just got checked in. Everything prepared for your arrival tomorrow.

P.S. Sure is hot down here.
